BRIDGING THE SKILL GAP

According to a survey conducted, in the segment of Wooden Furniture, Doors/Windows, Modular Furniture, Hardware Fittings/Locks and E-Commerce exists a huge yawning skill gap which can be covered by imparting meaningful technical wood working knowledge. With a vow to cover this gap and balance the proportion, HPWWI offers the best courses in the field for upgrading wood working skills and incorporating new techniques along with fostering employment.

Sub Sectors	Current Manpower 2016 (in Mn)	Estimated Manpower 2022 (in Mn)	Gap 2022 (in Mn)
Wooden Furniture	2.08	4.10	2.02
Doors/Windows	0.24	0.42	0.18
Modular Furniture	0.50	2.35	1.85
Hardware Fittings/Locks	0.21	0.41	0.20
E-Commerce-Delivery & Installation Assistant	0.004	0.09	0.09

METHODOLOGY

- ▶ The course is predominantly based in the workshop and will be delivered using a range of activities including hands on training, demonstrations, workshop practice, projects, lectures, open discussions, observation, individual and group work, tutorials, visits, presentations from visiting professionals, and interactive learning experience from tutors and students.
- ▶ After building experience through initial set projects, the students will be encouraged to design and make their own pieces of furniture.
- ▶ The structure and syllabus of the course is based not only on the wide experience of the faculty but also is augmented by their extensive contacts within furniture Industry. Outside visits and visiting lecture's provide additional input and in-depth Knowledge about the industry.

HPWWI-AN INSIGHT INTO THE OASIS FOR ALL THE WOOD LOVERS

- ▶ A CSR INITIATIVE- for students with the objective of providing them with knowledge and building competency in the area of woodworking & hardware installation Upgrading their skills to fill the need for skilled, competent, knowledgeable work force who are Industry Ready, bridging the gap of basic training provided at ITI across the Country.
- ▶ The course covers in-depth practical work, core woodworking skills, furniture design & hardware installation. Students will learn quickly through our unique combination of expert tuition, lectures, collaborating with colleagues, field trips and lots of one-to-one, individual teaching, and Hands on Training. To impart 'Theoretical' and 'Practical' woodworking & Furniture fittings and hardware knowledge to students at Zero cost to make them employable & suitable for the growing furniture industry, Hettich had opened first of its kind

training centre at Faridabad in Year 2017 with a philosophy "Training can become an investment in people", close to New Delhi office measuring about 7500 sq. feet with 4 class rooms and a multitude of Panel Processing machines. Our experience while doing training ,reassured us that we wanted to make a big training center, so that people within the industry can come forward to get their work force trained professionally in a world class training facility. Hence we planned for a bigger, better, Best in the industry- Iconic Center, where people can come and upgrade their skills for free.
